KID BEDROOM / Andrea

PARISOT INDUSTRIE

Andrea is an intelligent bunk bed that combines sleeping space, storage, and contemporary design.

The sleeping solution has been designed to optimize the night space and provide a complete sleeping solution for the whole family. This bunk bed features two 90x200 cm sleeping areas, as well as an optional additional pull-out bed (90x190 cm), allowing accommodation for up to three people. Thanks to its compact and functional design, it perfectly fits children's bedrooms, shared rooms, or homes requiring smart space-saving solutions.

On the storage side, the bed stands out with shelves under the staircase, ideal for placing books, games, or accessories. The integrated panels add rhythm to the structure and also act as safety guards for the upper bed. An offset front ladder provides easy access to the top bunk while allowing greater freedom of movement around the bed.

The design combines practicality and modernity thanks to a two-tone **White** and **Japan Oak** finish. This combination of light and warm tones blends harmoniously into all bedroom styles, while adding a contemporary and welcoming touch.

KID BEDROOM / Cache-cache

PARISOT INDUSTRIE

The **Cache-cache** sleeping solution has been designed to meet children's layout needs while adding a warm and playful design touch.

Thanks to an integrated step, the bed is easily accessible, promoting independence for younger children while making climbing safe. The rounded edges of the headboard and footboard provide a soft, reassuring aesthetic that blends perfectly into a child-friendly or unisex environment.

The integrated storage optimizes space: an open niche, two hinged doors, and a bottom drawer allow everything to be neatly organized. This clever furniture piece also includes a headboard surface, perfect for placing books, a nightlight, or personal items. The empty space under the bed can be transformed into a secret hideout, a reading corner, or storage for bulky items such as baskets or toy boxes.

The model comes in a two-tone **Jackson Oak** and **Cashmere** finish a soft, trendy, and unisex palette that easily matches any bedroom.

The products are made of particle board, with thickness of 12 and 15 mm.

KID BEDROOM / Escale

PARISOT INDUSTRIE

A clever, reversible, and ultra-practical **3-sleeper bed**, designed for large families and small bedrooms.

The ESCALE bunk bed is a smart solution offering real sleeping capacity in a minimum of floor space. Thanks to its well-designed structure, each user has their own storage area, which is handy for storing everyday items. A versatile drawer completes the set, which can be used as an extra bed or as storage space for linen and personal belongings.

Designed to adapt to all configurations, Escale is reversible: the slatted panels can be mounted on the left or right side of the bed, depending on the room's layout. The ladder can also be positioned against the wall or on the room side, making access to the upper bed easier.

With its Japanese Oak finish, **Escale** exudes a natural and calming look, ideal for creating a warm and timeless atmosphere in a child's bedroom. Slim edges and clean lines reinforce its sleek and functional design.

KID BEDROOM / Salto

The **SALTO** bed has been designed to meet the needs of today's families by combining space-saving design, functionality, and comfort.

On a daily basis, SALTO stands out for its **smart usability**. The integrated ladder provides simple and secure access to the upper bed, while the built-in niches and shelves make it easy to keep books, an alarm clock, or personal items within reach. Every detail has been carefully designed to simplify organization and make the bedroom more functional, both for children and for parents.

Thanks to its bunk structure, it offers **two fixed sleeping spaces** while also providing the option to add a clever pull-out drawer that transforms into a **real extra bed**. Discreet when stored away, this trundle bed makes it easy to accommodate a friend.

From an aesthetic point of view, the combination of **White** and **Jackson Oak** creates a soft, modern, and timeless atmosphere that blends easily into any interior style. The clean and well-balanced design allows the SALTO bed to grow with children over the years without ever going out of style.

ADULT BEDROOM / Haiku

PARISOT INDUSTRIE

With its natural softness and Japanese-inspired lines, HAIKU transforms the bedroom into a space of calm and elegance.

The HAIKU bed, available in 140x200cm (convertible to 140x190cm) and 160x200cm, becomes a centrepiece of the bedroom all on its own. Its headboard, upholstered in beige bouclé-effect fabric and set within an elm-panelled frame, exudes a genuine sense of comfort and elegance. Two floating bedside tables flank the headboard: each features a discreet drawer and open compartments for displaying or storing essentials. The interplay of materials allows for the integration of LED backlighting, providing soft lighting that is ideal for creating a soothing atmosphere without the need for an additional lamp.

The 4-door wardrobe completes the bedroom, offering maximum storage capacity whilst maintaining a perfectly refined aesthetic. Its design is characterised by long vertical handles. The range includes a spacious 6-drawer chest, ideal for storing various personal items such as clothes, bed linen and accessories. An optional drawer unit can be added to the bed.

The Haiku collection stands out for its clean lines, its **Roasted Elm** finish and the subtle contrasts created by touches of Alice bouclé fabric, lending the whole a natural, warm and contemporary feel.

STORAGE / Swing

PARISOT INDUSTRIE

Gain in comfort and functionality with **SWING**, a range of easy-to-assemble sliding door wardrobes.

With its 2 widths (150 or 180cm) and sliding doors, Swing fits well in a bedroom or studio, providing fluid access to the contents without encroaching on the room. Swing is available in 2 door configurations: with 2 plain doors for a sober, uniform look, or with a plain door combined with an all-mirror door for an enlarging visual effect and ease of use. The range now includes a configuration with double mirrored doors.

Inside, each wardrobe is cleverly arranged with one half comprising 4 shelves and the other half with a wardrobe with shelves. For more specific needs, Swing offers additional options: a three-drawer pedestal for small items or accessories, and a set of extra shelves to match the size of the wardrobe.

Swing captivates with its clean design and two timeless finishes : **White**, which brings freshness to the room, or natural **Brooklyn Oak**, which creates a warmer, more authentic look.

DESK / Wortex

This WORTEX modular gaming desk adapts to your space and your gaming style.

Wortex can be installed at 180° in a linear version for maximum amplitude, or at 90° in an angle to optimise space and create a more immersive setup. Whichever arrangement you choose, with an angle to the right or left, its storage spaces are always accessible, with a practical drawer and a discreet door to store your essential accessories.

Designed with comfort and performance in mind, this desk has a 600mm deep top, providing a generous surface area for positioning keyboards, mice and equipment without constraint. Wortex incorporates a carbon handle and a peg for hanging headphones. Its LED lighting creates an immersive, personalised atmosphere by adjusting the brightness and colour to suit your mood.

Its **Shadow Grey** colour brings a touch of modernity and sobriety to your setup. Combined with its clean lines and modular design, it fits perfectly into a high-tech gaming space or a more sophisticated office. This blend of functionality and elegance makes it a piece of furniture that looks as good as it performs.
